v. 
MATTHEW DAVID NELSON

AFFIDAVIT

MS-06-0302

I, STEPHEN K. LIES, being duly sworn state as follows:

1. I am a Special Agent (SA) of the Federal Bureau of Investigation (FBI) and have been so employed since August 1, 1999. Since joining the FBI, I have investigated violations of federal law involving violent crimes, and am currently investigating federal violations concerning child pornography and the sexual exploitation of children, and I am assigned full time as a member of the Memphis Crimes Against Children Task Force (MCACTF). I have gained experience through training in seminars, classes, and everyday work related to conducting these types of investigations. Just prior to joining the FBI, I was employed for approximately three years as a Computer Technician and then subsequently for three years as a Computer Network Engineer.

2. On or about September 27, 2006, your Affiant, acting in an undercover capacity as a 13 year old female, in the Western District of Tennessee, was in contact with the Yahoo Internet screen name "stenbeck0000". During this conversation "stenbeck0000" indicated he was 39 years old and was told that the female was 13 years old. Stenbeck0000 indicated he wanted to meet the minor and take her to a motel room. He stated he wanted to perform oral sex on the minor.

3. Between September 27, 2006 and October 11, 2006 a subpoena was issued to Yahoo! for subscriber information on "stenbeck0000". The information in the Yahoo account management tool indicated the subscriber was James Stenbeck of Oxford, MS. The registration Internet Protocol (IP) address indicated the Internet Service Provider (ISP) as Bellsouth. A subsequent subpoena to Bellsouth for subscriber information indicated the subscriber as Matthew Nelson, 21 CR 212, Oxford, MS. An inquiry into the Mississippi Department of Safety indicated that Nelson's date of birth was October 27, 1966 (presently 39 years of age).

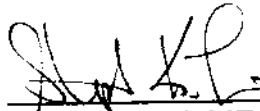

4. On October 9, 2006, your Affiant, acting in an undercover capacity as a 13 year old female, was in contact with the Yahoo Internet screen name "stenbeck0000" who indicated he wanted to meet the minor female for the purpose of engaging in oral sex and sexual intercourse. "Stenbeck0000" arranged to meet the minor female on October 11, 2006 at the Walmart in Collierville, Tennessee at 9:00am., so he could then take her to a motel and engage in said sexual conduct with her.

5. On October 11, 2006, your Affiant, along with other members of the Memphis Crimes Against Children Task Force, conducted a surveillance at the Collierville, Tennessee, Walmart at approximately 8:00 a.m. At approximately 8:50 a.m., Matthew Nelson was observed parking in the Walmart parking lot and entering the store. Nelson was subsequently approached by Agents of the task force and positively identified. Nelson indicated to the Agents that he had just traveled from his home in Oxford, Mississippi.

6. Your Affiant believes that the above constitutes violations of federal criminal statutes, specifically, Title 18, United States Code, Section 2422(b) and Section 2423(b)

Based upon the above, your Affiant is requesting issuance of a warrant for the arrest of MATTHEW DAVID NELSON.
